Why not come and see us in glorious Trearddur Bay on the Isle of Anglesey? Our festival is set in a fantastic coastal location within the grounds of the Trearddur Bay Hotel. [www.trearddurbayhotel.co.uk](http://www.trearddurbayhotel.co.uk)

Our marquee is full of quality Welsh food and drink companies. There is plenty of choice to tempt all taste buds! Ranging from locally reared oysters, beer, goat's cheese, preserves, Ice cream, charcuterie, chocolates, mutton, sausages, liqueurs and much more.

The hotel offers live music during the festival. There is also a Black Tie Ball on the Saturday evening.

Welsh producers are able to exhibit, promote and sell their high quality food and drinks. Other specialist producers are invited by invitation of the committee.

We are a small and friendly food fair, visitors get to meet and build relationships with the producers. We attract around 3,000 visitors to Anglesey in October.
